Silk Waists and Skirts.

Paris is the central star of fashion. Whatever is seen elsewhere is a ray from her light, diminishing in radiancy as it recedes from that gay capital. The conquests of her modistes are as brilliant as were those of Napoleon's marshals. The Grand Empereur failed to win universal empire; but with the subtle weapons of taste and fancy Paris has won supremacy and sways the sphere of dress.

From the Champs Elysees to the Steppes of Russia, from the summits of Switzerland to the prairies of Illinois, the infiltration of Parisian fashion is seen.

All our Silk Skirts and Waists are faithful reproductions of models from Paris. We give you the ideas of Corne, Havet, Rouff, Doucet and Paquin, at Macy prices.

Black Taffeta Silk Waists, made with tucks	$2.99
Black Taffeta Silk Waists, body and sleeves finished with clusters of tucks	$4.99
Black Taffeta Silk Waists, tucked sleeve and colored tucked yoke	$5.99

And there are scores of other dainty, piquant creations, ranging up to $25.99. Their imported replicas sell for double—and no eyes can tell the difference between them and these.

Changeable Taffeta Silk Skirts, made with umbrella ruffle and two corded ruffles	$5.99
Changeable Taffeta Silk Skirts, made with umbrella ruffle and three corded ruffles	$7.81
Changeable Taffeta Silk Skirts, made with umbrella ruffle and five corded ruffles	$8.99

And there are other Skirts here for you to see—over fifty different styles—sparkling, exquisite effects for Spring—$11.41 to $24.99. If we marked novelties audaciously instead of conservatively, the prices would range fifty per cent. higher.

Robert Burns Cigar

Father Knickerbocker is particular.

When New York sets the seal of its approval upon any article, it means something.

It means that everything obtainable has been compared with it, and that it stands head and shoulders above them all.

The **"Robert Burns"** is the favorite cigar of the Metropolitan districts.

Wherever men of wealth and good taste congregate, the **"Robert Burns"** is the staple cigar.

Then why not take advantage of the decisive opinion of men who should be able to judge, than to smoke unknown brands of cigars.

The **"Robert Burns"** can be found in most of the large hotels, cafes and drug stores. In case your tobacconist does not keep the goods, kindly communicate with us, and we will endeavor to interest him.
